Introducing The New SERA Officers

The Scovill Employee Recreation Association elected its new officers for 1956-57 at the annual meeting held on Wednesday, September 26. They are (left to right) Vice President John Capone, Tim Shop, Secretary-Treasurer Ruth Peterson, Employee Activities Office, and President Albert Kean, North Mill.

W.L. Wood To Receive 33rd Masonic Degree

Walter L. Wood, Assistant Secretary of Scovill, who completed 40 years of continuous Company service on October 9, 1956, recently received a most signal honor when the annual session of the Supreme Council of Grand Inspectors General for the Northern Masonic Jurisdiction, Ancient and Accepted Rite, nominated and elected him to receive the honorary or 33rd Degree of Masonry.

This Degree will be conferred upon him at the next annual session which will be held at Boston, Massachusetts in September, 1957.

Many congratulations from friends and brother Masons have been extended to Mr. Wood in the attainment of the 33rd Degree — the highest honor which can be bestowed on a member.

Mr. Wood has been most prominent in Masonic circles. He became a member of Liberty Lodge in 1918 and served as its Master in 1934. He entered York Rite Masonry and presided in all its bodies, including Chapter, Council and Commandery. In 1954, he was awarded the coveted "York Cross of Honor" and in 1955, the equally selective "Red Cross of Constantine."

In Scottish Rite Masonry, Mr. Wood serves as Treasurer of the Scottish Rite Valley of Waterbury and Treasurer of the Conn. Council of Deliberation.

In addition to his Masonic work, Mr. Wood is also active in Community Service, serving presently as Vice Chairman of the Salvation Army Advisory Board and as Vice President and Director of the Waterbury Savings and Loan Company.

Letters Of Appreciation

The following employees received letters of appreciation for suggestions reviewed at the September Industrial Improvement Committee meeting:

Iva Corcoran, Joseph Biello, Egiziano Giacobini (for three suggestions), Slide Fastener Finishing; Elenore Estelle, Slide Fastener Assembling; Frank McGrath, Milton Smith, North Mill Finishing; Lee Levesque, West Machine Room, (for three suggestions); Herbert Hughes, Jr., Strip Mill Rolls.

Anthony Daddona, Slide Fastener Chain Machines, (for two suggestions); Gaetano DeSocia, Millwrights; Pasquale DiBeneditto, Henri Fontaine, Casting Shop Scrap; Ambrose Carangelo, Manufacturing Eyelet, (for two suggestions).

New Assignments

Manufacturing—Stampings Div.

Announced by Mr. G. L. Chase, Factory Supt., Stampings Div.:

A new department, to be known as Dept. 6, Coupling Department, has been established in Building 49-1. Mr. Leo T. Smith has been appointed Foreman of the department and will report to General Foreman L. H. Mayshaw.

Waterville Division

Announced by Mr. S. G. Gaillard, General Manager, Waterville Div.:

Effective October 1, 1956, Mr. Thomas C. Chapman has been transferred to the Sales Dept. He is being assigned duties in connection with the development of Contract Manufacturing Sales, reporting to Mr. A. H. Goepel, General Sales Manager.

Engineering Division

The following notice has been received from Mr. T. W. Colina, Chief Plant Engineer:

Effective October 1, 1956, Mr. James Hunstone has been appointed Foreman of the Pipe Shop, reporting to Mr. A. D. Chaffee, Superintendent of Mechanical Maintenance Depts.

Kaynor Tech Offers Free Evening Courses

The Warren F. Kaynor Regional Technical School will offer evening technical courses this fall in Tool Design, Mechanical Drafting, Electronics, Production Control, Engineering Mathematics, Quality Control, Hydraulics, Process Engineering and other technical institute courses to meet area industrial needs.

These courses are open to high school graduates and apprentices who have the educational background necessary to meet the enrollment requirements of the particular course they wish to study.

Classes will be held two evenings a week and will be taught by engineers from industries in the area. There are no registration or tuition charges.

For further information and registration contact the Training Department Office in the Employee Relations Building or John A. Robinson, Supervisor of Adult Education, Warren F. Kaynor Regional Technical School.

Standard Time

Eastern Standard Time will go into effect officially at 2:01 a.m. on Sunday, October 28, in the state of Connecticut.

At about that time, all clocks in the Waterbury Divisions will be set back one hour. Outside clocks will be marked "E.S.T."

M.I.T. Students Recent Visitors

Students from the Massachusetts Institute of Technology examine samples showing various types of defects which might commonly occur in metals (top photo). Bottom:—Leon Ham, Laboratory Technician of Metals Research, points out grain size of an aluminum strip on a comparator-type bench microscope.

Before resuming classes at the Massachusetts Institute of Technology for the fall semester, twenty-six senior metallurgical engineering students toured Scovill, one of four industrial plants on their curricula.

Together with Professor John Elliot and two of their instructors, the students were conducted through the Hydro Press, Continuous Strip Mill, Chucking, A.S.M.D., Metals Research, Wire Mill and the Display Room.

Walter L. Wood

Sales Tax Decreased

As of October 1, 1956, the State Sales Tax has been reverted from 3 1/2% to 3% in accordance with law passed by the December, 1955, Special Session of the General Assembly.

The increase of one-half per cent was effective for a period of nine months, January 1 to September 30, 1956 inclusive. The proceeds from this increase were used exclusively for relief, reconstruction, rehabilitation, recovery and other purposes directly related to the floods of August and October, 1955.

ELECTION DAY

We know July Fourth as Independence Day. It is the anniversary of our Independence as a Nation. On that day, in 1776, the Declaration of Independence was adopted.

We consider ourselves free. But in most things we have only a degree of freedom. With the increasing complexity of our society we must submit to controls and restraints as individuals and as groups for the benefit of the majority.

Even in the sanctity of our homes we are not completely free. Our responsibility as members of society impose various restraints even there.

Reasonable men and women accept these restraints which are imposed by representatives elected by democratic procedures. If we allow our choice of those who will represent us to be dictated by others, we are furthering the death of democracy.

Once in the isolation of the election booth we are absolutely free to cast our vote for whomever we honestly believe in. We can disregard every dictatorial pressure once the curtain is closed. Election Day, good friends, is the true Independence Day of each of us.

Adam C. Curtis
Vice President

Cabaret Dance

Another ever-popular Cabaret Dance will be held on Saturday, October 27th at Doolittle Hall, with Tommy Thomas' orchestra providing the music.

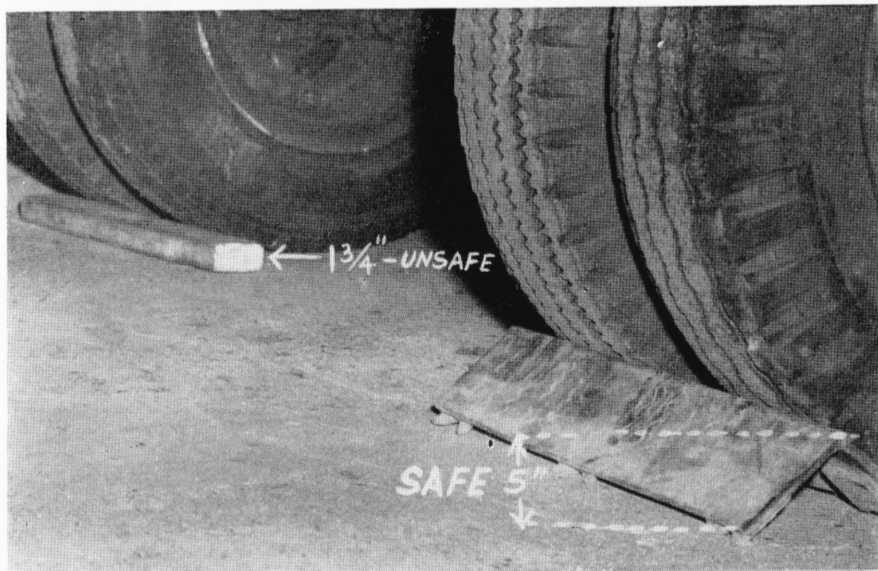

Sponsored by the Scovill Girls' Club with the cooperation of the SERA, tickets, which will be sold on a first-come, first-served basis, may be obtained from any member of the Girls' Club or at the Employee Activities Off.

Softball Championship Games

The Pinmakers and West Tool are in the midst of a three game play-off for the SERA Softball Championship.

The first game was on Friday, October 5. The Pinmakers defeated West Tool 5 to 4. The second game was played on Sunday, October 14 (too late for the results in this issue of THE BULLETIN) and if a third game is required, it will be played on Sunday, October 21.

Block Those Wheels!

The correct type of wedges should be used on trailers when they are being loaded or unloaded. The undersized "stick" (left) is not strong enough to safely hold a trailer weighing a few tons. The correct type of wedge to be used is a steel wedge or block (right). It is higher and has a better grip.

Whenever a trailer is being loaded or unloaded it should be under the safest conditions possible. One of the best safety measures in this case is the correct blocking of the wheels to make sure the trailer doesn't roll.

When a fork truck runs a heavy load into a trailer, the trailer can ride over

the small piece of wood if the brakes are not holding tight. Roll-aways because of an incorrect wedge have been disastrous for operators.

These wedges or blocks of the correct size may be obtained through the Transportation Dept. If doing this type of job, be sure to use them.

Don't Blame Your Glands . . .

By Robert W. Butler, M. D.

. . . Or your ancestors, or your doctor, either. If you are suffering from what is commonly and indelicately known as "blubber-bulge", you can blame it all on that slot which lies horizontally between your nose and chin — and the muscles that make it work! Nothing else is at fault in 99% of you sufferers except perhaps those other muscles which keep the slot closed. Those latter muscles can be trained — by nobody else but *you* — and if you want to stay healthy, you'd better get at it.

It would be a great thing for the great overeating public if someone could arrange to make them uncomfortable as soon as they put on the first extra 10 pounds; because the ill effects of overweight are stealthy. You can feel pretty well for years, and then all of a sudden you have troubles — troubles you'll take to the grave with you — if they don't take *you* there first!

What are they? Well, you've paid your money (for too much food) so take your choice:

Cancer: Over-eating won't cause it, as far as we know, but there are certain types of cancer, particularly in women, which have been found to be about 30% more common in those who are overweight. Also, the disease is much more difficult to treat in these people, and figures show that the survival rate after treatment in the overweight female is 17% poorer.

High Blood Pressure: Fat Freddie may not necessarily develop it, but Fat Philbert may. Every pound of unnecessary fat means 1/2 mile of extra blood vessels, or *something* should happen — and let's just leave it that your chances of getting it are two and one-half times greater if you're overweight than if you're not.

Hardening of the Arteries and Coronary Heart Disease: This is troublesome to all, and fatal to some; and your chances are 20 to 25% better (*worse, that is*) if you're overweight.

You'll have to ask someone else why this result of too much fat doesn't seem to affect the girls so seriously.

Complications During Pregnancy: The statistics here are about the same. The frequency of complications during pregnancy and delivery are higher among the overweight gals.

Arthritis and Rheumatism: Here we just have suspicions. Statistics show that more overweight than underweight people have these troubles and that's as far as we can go; but it's pretty apparent that if you have arthritis in the back and legs, added weight adds insult to the joints which carry you around!

There are other things, too — but aren't these enough? Or are they? Would you rather be stuck with high blood pressure for the rest of your life — or would you rather try to prevent it? Or any of these other things?

A word of caution: Skip the seven or the seventy-seven day diets; skip the pills and potions; see your physician and he'll tell you the *safe* way to reduce if you're determined to do something about it. Don't waste his time if you're *not*!

Fishing Notes

The third leg of the Reeves Fishing Competition was extremely well attended and showed considerable results.

Pickrel and trout were quite active and some nice catches were made. Calico bass, however, was conspicuous by its absence.

Ray Ladden, SERA Fishing Committee Chairman, announces the following standings for Saturday, October 6:

Pickrel: John Foley and Ray Ladden, tie—197/8"; John Hubbard—183/4"

Perch: Emil Kazmaier—115/8"

Black Bass: John Engratt—125/8"

Bull Head: Ed Wandzell—125/8"; Harold Rogers—115/8"

Trout: Vin Manzolli—147/8"; Vic Jakatavich—133/4"; Bob Anderson—135/8"

The final leg of the Competition will be held on Saturday, October 20th. All Scovill fishermen welcome.

Service Awards

Twenty-Five Years

Biagio Gagliardi John M. Burrall
Waterville Employee Relations
October 5, 1956 October 9, 1956

Ten Years

October 1—Edward J. Payton, Electrical; October 6—Thomas E. MacCasland, Automobiles; October 7—William P. Sidella, Waterville; October 13—Helen V. Shulzinsky, Cutting; October 14—Richard W. Barnes, General Training; Alice S. Tremblay, Slide Fast. Assembly; October 15 — James H. Gilroy, Millwrights.

Pinochle Tournament

The Scovill pinochle season was officially opened on Thursday, October 4. The twenty-four pinochle enthusiasts present were first served a delicious charcoal broiled steak dinner with all the trimmings, followed by the first game of the first round.

Scores for the evening were headed by Laudate's team with 25,075 points, closely followed by Matulunas' team with 25,055 points and Mancini's boys were third with 22,175 points.

Individual high honors went to John Carolan with 4,470 points and John March with 4,340 points.

Games will be played every Thursday evening at the Scovill Girls' Clubhouse, beginning at 8 o'clock and the tournament will consist of two rounds lasting 12 weeks each.

Scovillites interested in joining this card-playing gang are asked to call Joe Brenneis, ext. 2155.

Choral Society Rehearsals

The Scovill Choral Society holds its rehearsals every Wednesday evening from 5:30 to 6:30 o'clock at the Girls' Clubhouse. All interested are welcome to join.

At Pearl Harbor

Seaman John Breuer (right), son of Jacob Breuer (General Training #1) has been stationed with the Navy at Pearl Harbor for the past year.

The occasion for this picture was the honoring of the 20,000th woman to board the USS Victory on touring Pearl Harbor. With Seaman Breuer are, left to right, Seaman Ruger, the 20,000th woman sightseer, Capt. Faamuselic and "Miss Atlanta of 1956".

Kids Hallowe'en Party

Employees' children and grandchildren under 12 are invited to celebrate Hallowe'en at the annual SERA Hallowe'en Party to be held at Doolittle Hall on Monday, October 29, beginning at 7 p. m.

There are no tickets, a costume is the only requirement for admittance.

Prizes will be awarded to the various costumes in the different age groups.

Headed by Chairlady Betty Affeldt, games, refreshments and just plain fun are planned.

Golf Outing

The Tuesday Night Golf League recently held its outing at the Torrington Country Club.

Under the able direction of the committee—Howie Kraft, Jim Coffey and Ray Driscoll—a wonderful day was planned consisting of a full course ham steak dinner which was served after the group played 18 holes of golf.

The winners of the kickers prizes were: Tom O'Connell, Ray Driscoll, Bob Shove, Jack Danaher, Jr., John Yurchuk, Don MacIntosh, Pete Smoley, Howie Kraft, Charlie Vaughn, Paul Koslowski, Tony Sebastian and Jim Smith.

Girls' Club News

By Teresa Ryan

Marguerite Greaney, Closing, has returned after vacationing at Cape Cod, Boston and New York. In New York, Marguerite saw "My Fair Lady". Lucky girl!

Margaret Wilcken, Press #2, is getting her typhoid shots prior to visiting her parents and relatives in Germany.

Anna Romano and Edith Carolan, both of Slide Fastener, are spending their spare time digging clams and filling up two large freezers for the winter.

Catherine McCormick, Payroll, Lillian Grady, Addressograph, and Anna Grady, Electrical, are spending two weeks vacation in Bermuda and Nassau. They left on October 13th and at the time of this issue are on the high seas.

Josephine Mayo, Press #2, is recuperating at home after an operation. Hurry up, get well and return soon, Jo.

Juanita Adessio, B&F Sales, is thrilled to have her parents visiting her from Kentucky.

Jane Rietydyke, Lipstick, vacationed at Cape Cod. She motored up and back in her new station wagon.

It's nice to see Stella Dunn, Press #2, back to work and looking well after being in the hospital.

Betty Colbassani, Lipstick, is trying her hand at interior decorating.

Catherine Lawlor, Closing, spent her vacation in Long Island visiting.

Our sincere and deep sympathy to Providence Davino, Press #2, on the recent death of her mother.

Jo Byrrolly, formerly of Transcribing, is now employed in the Telephone Dept.

Jeanette (our girl Friday from the BULLETIN office) now Mrs. Laurence Bogen, is back after honeymooning in the Mid-west and Canada.

Happy Birthday to Anna Dean of Electric Shell.

I wish to thank Juanita Adessio for doing this column during the past summer. It was a wonderful job, I certainly enjoyed reading it. Thanks loads, Juanita.

Cost Office Bowling

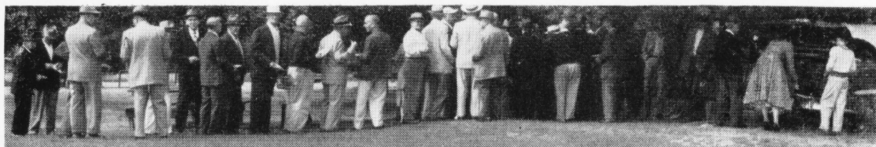

Standing as of October 8:

	Won	Lost
Braves	14	6
Dodgers	13	7
Tigers	12	8

High Single game: Men — Don MacIntosh, 142; women—Peggy Sanchi, 129; team — Braves, 441.

High Three games: men — Don MacIntosh, 375; women—Peggy Sanchi, 373; team—Braves, 1178.

Retired Folks' Club Outing — Best Ever

The annual outing and September meeting of the Retired Folks' Club was held at the Woodtick Recreation Area. This picnic is one of the most popular activities of the Club as proven by the large attendance of approximately 120 members. Above: Members line up and enjoy the refreshments consisting of hot dogs, hamburgers and cold drinks, while others play cards or just visit.

Waterville Foremen

The regular meeting of the Scovill Waterville Foremen's Association was held on Tuesday, October 2, at the Waterville Plant. President James Hollywood presided at the business meeting at which time a standing vote of appreciation was rendered to Leon French for the fine job he did as chairman of the annual outing and for the use of his home for the affair.

Program Chairman Ray Kozen introduced guest speaker Judge James Lawlor who gave an enlightening talk concerning the problems and works of the probate system. An interesting discussion followed, keeping Judge Lawlor busy answering questions.

The next meeting will be held on November 6. William Gleason will be program chairman assisted by Henry Montambault and Walter Fiftal.

Display In New York

From October 28 to 31, the National Outerwear and Sportswear Association's Convention will be held at the Hotel Commodore in New York.

Our exhibit at the convention will be a display of the complete line of closures made at Scovill to follow the theme of "Closures for every outerwear and sportswear need". GRIPPER Zippers will also be featured.

To My Friends At Scovill

I wish to express my sincere gratitude to my many friends and associates at Scovill for the gift and purse that were presented to me on my retirement.

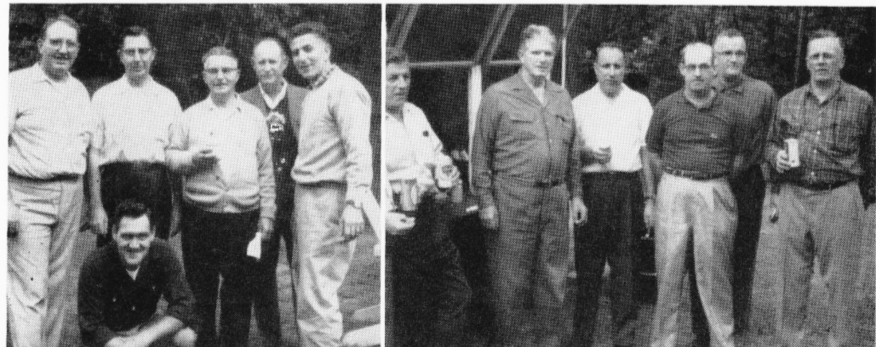

Norman A. Nelson

Waterville Foremen's Annual Outing

The Scovill Waterville Foremen's Association held their annual outing at the home of Leon French, Moss Farm Road, Cheshire, Saturday, Sept. 15th. The day was perfect, the food superb,

the games enjoyable, the entertainment excellent, the beverages cold and the company the best.

Below are pictured a few of the 35 men who attended this affair.

Top left photo:—John Baker (kneeling), Walt Keating, Ray Grenier, Ed Barlow, Fred Batten and Charlie Campi. Top right:—Walt Knox, President Jim Hollywood, Don MacKellar, Ray Caffrey, Bill Rooney and John Muckle. Bottom:—Entertainer Andy Knox, John Lengyel, Ray Grenier and Don MacKellar.

Scovill Rifle Team Completes Another Season

The Scovill rifle team recently completed its season in the Mid-nite, Moon-lite Rifle League at the Lyman Range in Middlefield and will soon begin indoor shooting. The team which consists of (left photo, kneeling, left to right) Harold Slocum, Don Vance, John Degnan,

(standing) Dick Bares, Harold Hendricksen, Allan Steel, Les Coley, Jr. and Ben Blake defeated the Lymanettes (right photo, kneeling) Ruth Hubbard, Jill Haig, Pearl Lyman, (standing) Pat Kluding, Ethel Passanesi and Mae Kilbourne with a score of 1992-131x to 1982-113x.

Six Succumb

VINCENZO CAVELLO, retired, died on September 25, 1956.

Mr. Cavello was hired at the Scovill Waterville Div. in March, 1919, and had over 33 years of continuous service when retired in October, 1953. Always in the Waterville Div. Foundry, he was serving as an operator of a magnetic scrap separator when retired.

ENRICO PELLEGRINI, retired, died on September 27, 1956.

Mr. Pellegrini, who had been at Scovill since 1915, had served in various departments and, for a period, was work supervisor in the East Mill. In 1949 he went to the North Mill, where he was serving as a maintenance man when retired.

CALVIN CABLE, Buff I, died on September 30, 1956.

Mr. Cable first came to Scovill in January, 1920, but due to periods out of the plant his continuous service record began in June, 1954. He had always served between Buff Rooms I and II and was in Buff I as a helper pack-amic buffing machine when he died.

DAVID DAVIES, retired, died on October 6, 1956.

Mr. Davies came to the Scovill Waterville Division in February, 1894, and had a continuous service record since that date. Always in the Buff Room, Mr. Davies was a maintenance man when retired March 17, 1947.

EBBA ANDERSON, retired, died on October 7, 1956.

Miss Anderson had over 27 years of continuous service beginning in May, 1929, when she came to Scovill. Miss Anderson was a nurse in the Waterville Division Hospital until 1942, when she went to the East Plant Hospital serving on the third shift until her retirement on Aug. 27 of this year.

THOMAS S. WALKER, retired, died on October 7, 1956.

Mr. Walker was hired in October, 1905, and had a continuous service record since December of the same year. Always in the Tool and Machine Division, Mr. Walker was serving in the General Mfg. Toolroom as a tool-maker when retired December 2, 1946.
