

SCOVILL BULLETIN

Nov. -- Dec., 1972

Published by Scovill Manufacturing Company for its Employees

Scovill Employees "Take Stock in America"

A U.S. Treasury Dept. Citation was awarded to Scovill recently in recognition of employee participation in the U.S. Savings Bonds program. Scovill president John Helies accepted the citation from U.S. Savings Bonds Division Area Manager Charles Goodall. Scovill Local 1604 UAW vice president Edward Borowski represented the Union at the presentation.

S. S. Tax Increase

In the last six months, two sweeping changes have been made in the Social Security law regarding Old Age, Survivors and Disability Insurance (OSADI).

First, legislation enacted in July raised Social Security benefits 20 percent across-the-board beginning in October, and also raised taxes.

Second, legislation passed in October broadened the basis of eligibility for widows, the disabled, and low wage earners, and raised the tax rates above those passed in July.

The financing of the new benefits will require an increase both in the percent paid by the employers and the employees and in the taxable wage base for Social Security contributions from wages and salaries.

The new tax rate, effective January 1, 1973, will be 5.85% for both employer and employee.

The expanded wage base to which the tax will be applied is \$10,800. for 1973, and will increase to \$12,000 by 1974. Before these 1972 amendments, the wage base was to be held to a \$9,000 maximum.

The 1972 campaign saw 67% of Waterbury Division employees buying U.S. Savings Bonds through the Payroll Deduction Plan, compared to 58% in 1971; company-wide participation is 44% in 1972, it was 38% in 1971.

After 1974, the new law provides that the wage base automatically will be adjusted upward as wage levels rise. There is also a provision in the new law to raise benefits automatically whenever the consumer price index goes up.

The law reduces the relative tax burden on low income earners because a larger portion of previously exempt higher incomes—those in excess of \$9,000—will be subject to the new tax rate.

Federal Unemployment Insurance

Effective January 1, 1973, the Federal Unemployment Insurance rate will be increased from .5% to .58% of the first \$4,200 earned by each individual during the year.

This is an increase of \$3.36 per person over the present rate—and is paid by the employer.

Hamilton Beach On TV

Over 400 million viewer impressions, in 53 million households throughout the country, will see Hamilton Beach products advertised on the three networks, ABC, CBS and NBC, between November 15th through December 17th.

Using prime time top rated family shows such as All in the Family, the Don Rickles Special and both MFG and college football games, major exposure will be given to the new line of Clean Steam irons, extolling incomparable wanted features such as Fabriscope, Burst of Steam, 65 steam vents, lightness of weight and use of plain tap water. Emphasis will also be on the exclusive Baconer in the new network TV schedule.

Pre-Retirement Course May Go State-Wide

All industrial centers in the state may soon be offering pre-retirement planning courses patterned after our Scovill program.

Charles Rietdyke, who conducted the courses at Scovill, is chairman of the new state committee which will set up the state's program. He and Dr. Robert Litro, director of the business division of Mattatuck College, have been working on a similar program for the College next spring. If successful at the school, the program will go state-wide, through the State Department of Aging.

Holiday Schedule

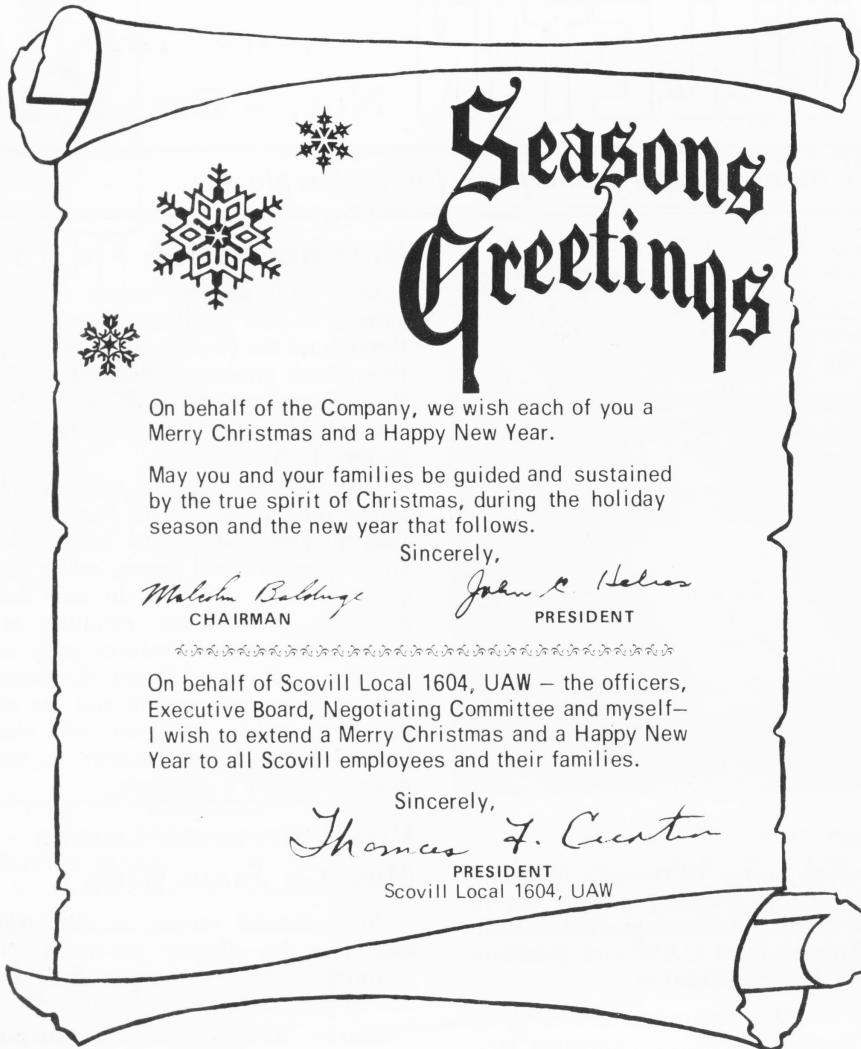

Christmas Shutdown

Waterbury Divisions and Services will be closed for the Christmas holiday on Monday and Tuesday, December 25 and 26, 1972.

New Year's Shutdown

The plants will be closed for the New Year holiday on Monday and Tuesday, January 1 and 2, 1973.

Any variations from the above schedules will be by individual or departmental notice. All employees will be paid on the Friday of their scheduled pay-week during this period.

On behalf of the Company, we wish each of you a Merry Christmas and a Happy New Year.

May you and your families be guided and sustained by the true spirit of Christmas, during the holiday season and the new year that follows.

Sincerely,

Malcolm Balbuge
CHAIRMAN

John R. Helios
PRESIDENT

On behalf of Scovill Local 1604, UAW — the officers, Executive Board, Negotiating Committee and myself—I wish to extend a Merry Christmas and a Happy New Year to all Scovill employees and their families.

Sincerely,

Thomas F. Custer
PRESIDENT
Scovill Local 1604, UAW

Christmas Mailing

The suggested deadline for surface parcels to distant states, this year, is December 10th and for air mail, December 20th.

For local and nearby areas, it is December 15th.

For mailing Christmas greeting cards

1972 Rodeo

A word of appreciation and thanks is passed along to all members of the 1972 Rodeo Committee, and all employees and friends who gave their support to this activity for the benefit of two well worth-while groups.

Through your cooperation, the Waterbury Area Campership Fund and the Central Naugatuck Valley Drug Help Committee will each receive \$2,590—the largest single donation that each of these organizations have received.

The SERA and the Rotary Club of Waterbury are to be commended for having jointly sponsored a successful rodeo for three consecutive years.

to distant states by surface, it is December 15, and by air mail December 21. For local and nearby areas, it is December 20th.

Domestic Christmas greeting cards, sealed or unsealed, will require an eight-cent stamp. As the average greeting card weighs an ounce or less, it is recommended postal patrons seal the envelope, use their return address and send it first-class mail. This will insure the return of the card if undeliverable.

For civilians in Europe, deadlines for parcels by surface was November 11; by air mail, it is December 11th. Greeting cards should have been in the mails by November 17th, but can still go by air mail until Dec. 16th.

Postmaster Edward J. Sheehan wishes to stress an area of concern with the number of short paid greeting cards being mailed each year to foreign countries and which have to be returned for additional postage as all foreign mail must be fully prepaid before embarkation.

Veteran Blood Donors

Among the 133 blood donors at the October 24th visitation of the Blood Mobile Unit to Scovill were these three men of Manufacturing Eyelet.

Holding their most recent donations, they are sitting on Red Cross trunks which would hold the total number of units they have given to date—142 pints!

Their individual records are, left to right:— William Rogers, 60 pints; Fred Kirschbaum, 56 pints; and Anthony Cocchiola, 26 pints.

Special gallon pins awarded on October 24th were:—

7 gal—Irving Fagan, Clif Aspinall and Fred Kirschbaum

6 gal—John Mitchell

3 gal—Conrad Sansoucie, Kenneth Moody

2 gal—Ray Bradshaw, Michael Granatuk

1 gal—Pat McHouston, Robert Fehrs

Scovill Group - A. A.

Meetings of the Scovill A.A. Group will be held throughout the holiday period.

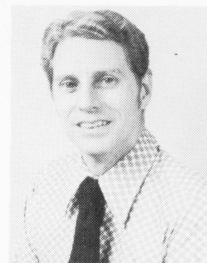

They are held at the SERA on Sundays at 6:30 p.m.

All employees and members of their immediate families who are now members of A.A., or who have a drinking problem, are invited to attend.

Further information may be had by contacting any member of the Scovill Alcohol Program Committee: Dr. R.W. Butler or Roger Rose, of the Main Hospital, or Emil F. Howes, Manager of Employee Relations Dept.

Service Awards

Industrial Seminar On Alcohol, Drugs

Approximately 350 industrial leaders in Connecticut were invited to attend a seminar on Alcohol and Drugs, scheduled for the SERA on Thursday, November 30th.

Sponsored by Scovill and Biochemical Procedures, Division of Bristol Myers, in cooperation with Daytop, Inc., the seminar was to present problems of alcohol and drugs from an industrial point of view.

Included on the panel covering alcohol are Dr. Robert W. Butler, of our hospital, who discussed Alcoholics in Industry, and Roger P. Rose, Director of Human Relations, whose topic was Industrial Alcohol and Drug Programs. Mr. Rose was in charge of arrangements for the seminar.

to the group are: William Dearth, Jack Staver, Patricia Donovan and Donna Santucci.

SMAC-JA Company Produces Bracelets

SMAC President Mark Gedela (standing) and members of the Scovill-sponsored Junior Achievement Company, depict operations needed to produce the attractive embossed copper bracelets. They are (left to right):— Allen Choate, Karen Wilmont, Jeff Crane, Sue Lane and Karen Gannon.

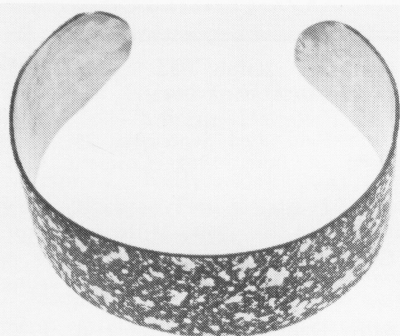

Junior Achievement is an action program designed to acquaint urban youngsters with the basic skills required to successfully operate a going manufacturing enterprise.

Scovill has joined again with other leading manufacturers in the Naugatuck Valley Industrial Community to sponsor a J.A. program for our high school students.

Scovill's group—calling themselves the SMAC Company—meets Monday evenings at the J.A. Center, 161 Hillside Avenue. Their product, an attractive copper bracelet, is embossed with an exclusive design and comes in three colors: red, black and green.

At present, 14 students are regular members of the company—others are always welcome. They are:— Treasurer Gary and Sales Vice President Dan Gelinis, Jeff Crane and Steve Monnerat of Holy Cross High School; Secretary Kathy Andrews, Karen Gannon and Eric Granoth of Kennedy High; Manufacturing Vice President Sue Lane of Notre Dame; Laura Lyons and Lynn Gelinis of Kaynor Tech; President Mark Gedela, Karen Wilmont and Yellette Tappin of Wilby; and Allen Choate of Watertown High.

Scovill employees serving as advisers

New Assignments

Apparel Fasteners Div.

Prima Izzo—Product/Market Analysis Manager

General Products Div.

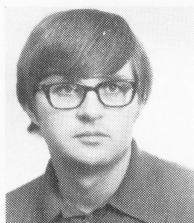

Daniel Santovasi—Assistant Foreman, Dept. 4, Press Room, 2nd shift

John Baker—Foreman, Dept. 38, Automotive Assembly

Edward Willhaus—Foreman, Dept. 45, Transmission Assembly

Training Course

TOOLMAKER. Douglas Wilson was graduated as a toolmaker as of September 18, 1972 and has been assigned to Gripper Eyelet Tool Room.

ROLLS GRINDER. David Humphreville was graduated as a rolls grinder as of September 25, 1972. He has been assigned to the Roll Grinding Room.

Blend, Store 'n Serve

Already available in stores for Christmas shoppers is Hamilton Beach's new dishwasherable plastic container which Jo Ann Davino holds above.

Hamilton Beach's Blender Plus +

Hamilton Beach's latest convenience items for the housewife is a new plastic container in which food can be blended, removed, covered, stored, and later served; eliminating the need to empty the food into another container for storage and washing the blending

container.

Coming in two sizes 16 oz and 48 oz, the containers may be purchased singly or in sets of two. Each container will fit most H-B blenders. Recipe books are included. An ideal Christmas gift for the busy woman.

'Tis The Season To Be Merry

Help Keep It Safe and Happy

The Holiday Season is upon us again. We look forward to this period of good times and fellowship but, occasionally, tend to overlook a few basic concepts which can help prevent our becoming a holiday accident statistic.

The family car—packed with gifts, the dog, children, mother and father on their way to visit friends—creates a situation calling for adjustment in driving skills and attitude.

The gross weight of the car has increased and visibility through the side and rear windows may be obscured due to the additional passengers. Father's temper may be strained after listening to the children's constant chatter consisting of the traditional phrases — "Are we almost there — I have to go to the bathroom — the dog is getting sick", and Mother saying, "I don't think we are on the right road."

Meanwhile, other drivers are cutting you off, splattering your windshield and the windshield washers go dry.

Don't lose your temper — concentrate on driving, compensate for

road conditions and your chances of arriving safely are greatly increased.

Each Christmas season hospital emergency rooms are kept busy caring for children who have been injured by toys. Please be cautious and objective when selecting toys.

Avoid toys with sharp edges, pointed projectiles and those constructed of flammable materials. Even the most innocent toy, the stuffed teddy bear, may contain sharp wires that can penetrate the fabric and become a hazard to an infant.

A child momentarily disappointed by not receiving an unsafe toy will enjoy Christmas to a far greater extent than one who has to receive medical attention.

The staff of our Safety Department wishes each of you a Safe and Happy Holiday Season.

Activities Flyers To Be Color-Coded

For easier identification, flyers on employee activities which are for posting around the plant, will be issued by color-code:—

- White—Rod & Gun Club Events
- Yellow—Sports
- Green—Miscellaneous activities, contests, parties
- Blue—social, cultural, travel
- Pink—Blood Drive, Special sales

New Year's Eve Dance

Reservations for the Annual New Year's Eve Dinner Dance, sponsored by the SERA to be held on December 31st, have been completely sold out. Reminder that balance due on reservations must be in by December 13th.

Obituaries

George T. Ralph died September 21, 1972. Retired in February, 1970—Rod Mill.

Ruth Reid died September 25, 1972. Retired in June, 1965—Cosmetic Container Div.

Peter Collins died October 6, 1972. Retired in April, 1969—Millwright Dept.

Giuseppe Gambucci died October 6, 1972. Retired in July, 1959—Casting Shop.

Sally Dalton died October 8, 1972. Retired in April, 1966—Closure Packing Room.

Bertha Brown died October 9, 1972. Retired in September, 1957—Closing Room.

Charles Vaitekaitis died October 14, 1972. Retired in July, 1957—Casting Shop.

James P. Griffin died October 14, 1972. Retired in June, 1967—General Products Packing Room.

Francis T. Reeves died October 16, 1972. Retired in January, 1947—Legal Department.

Ralph Deleppo died October 20, 1972. Retired in November, 1954—Waterville Foundry.

Katherine O'Rourke died October 26, 1972. Retired in November, 1970—Hospital.

Auguste Boisvert died October 30, 1972. Retired in October, 1963—North Mill.

Paul Rechenberg died October 30, 1972. Retired in January, 1955—Waterville Foundry.

Edward Morgan died November 2, 1972. Retired in June, 1967—Casting.

Domenico Moschella died November 5, 1972. Retired in March, 1953—Wet Roll Dept.

J. Leo Phelan died November 15, 1972. Retired in August, 1957—Telephone Office.

Michele Daddona died November 19, 1972. Retired in March, 1964—North Mill.

Retirements

Philip DelGobbo, mixer of lacquer and enamels in the Lacquer Room, was retired as of September 25, 1972, with 22.3 years of service.

Carmen Lovetri, die maker in Attaching Machines, was retired as of October 16, 1972—32 years.

Effective October 1, 1972

Frank Bisalski, vault and utility man in Cosmetic Container—30 years.

Harlan (Gene) Read, Manager-electrical engineering, Hamilton Beach Div.—36 years' service.

Effective November 1, 1972

Anna Aitchison, carton assembler, Closure Packing—44 years.

Anne Dean, miscellaneous machines operator, Blanking—30 years.

James Dunlap, machinist in West Machine—34 years.

Harvey Giese, specifications and standards technician, Hamilton Beach Div.—45 years.

Peter J. Kelly, tool grinder in Screw Machine Tool Room—32 years.

Lawrence Nadeau, electrician, Electrical Dept.—41 years.

Joseph Ognan, utility man, shipping warehouse, New Milford—10 years.

Alvin Turner, supervisor in Closure Packing—27 years.

Retired Folks' Club

The annual Christmas party for retired employees of the Waterbury (including New Milford) and the Watertown divisions will be held at the SERA on Thursday, December 7th, starting at 1:30 p.m.

Retirees are invited to bring along one guest—due to the number of persons allowed in the hall by safety and fire regulations. Each is asked to cooperate with this request.

Volleyball

Volleyball is in full swing every Friday at 7:30 p.m. at the SERA. New participants are always welcome—either as a team or individuals.

It is presently a mixed league. However, in answer to several questions, a league for women will be formed if enough interest is shown.

Contact Greg Demko at the Employee Activities Office if interested.

"Something To Remember You By"

Anne Dean, who retired from the Blanking Room, seems to get approval of Foreman Michael Campi in checking out 'that last piece of work'—wonder if she took it as a keepsake?

Your Social Security

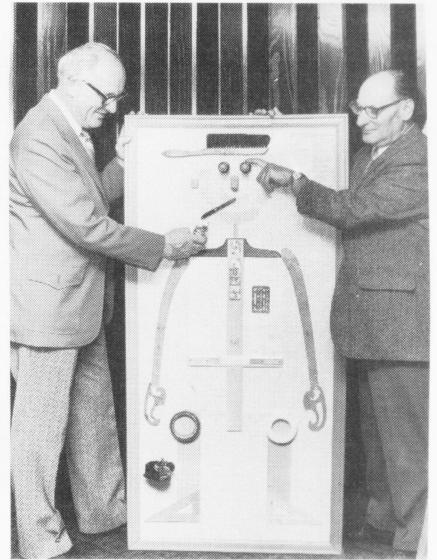

People tend to underestimate the monthly benefits social security can pay. According to a recent survey, only one person in 25 gave the correct answer to this question:

"Let's take a man 35 years old, with a wife and two young children and average earnings of about \$500 a month. If he became disabled and couldn't work any more, how much do you think he and his family would get from social security? Or, if he died, how much do you think his wife and children would get? (Just a rough guess)"

The question was put to a sampling of people 18 and over across the nation. The correct answer is about \$500 a month, according to Mr. Ernest D. Bauer, social security district manager in Waterbury.

"But three out of four people guessed the social security payments would be \$350 a month or less," he said. "More than half guessed \$250 or less. One out of four guessed \$150 or less."

Social security pays monthly disability benefits to eligible workers and their families if the worker is severely disabled and cannot work for a year or more. Survivors benefits are payable to certain family members if the worker dies. A worker's benefit amount is based on his average earnings covered by social security over a period of years.

'Tools of the Trade' will not be forgotten by Harvey Giese (right) of Hamilton Beach Div. Manager of Engineering Services Louis Smader 'lights up' fountain pen cigar of model presented to Mr. Giese on his retirement. The framed figure, set up on a background of printed forms, is composed of drafting equipment used by Mr. Giese during his years of service.

Kids' Christmas Party

The annual Children's Christmas Party will be held on Sunday, December 17th, at the SERA Building from 2 to 4 p.m. It is held under the joint sponsorship of the Scovill Girls' Club and the SERA.

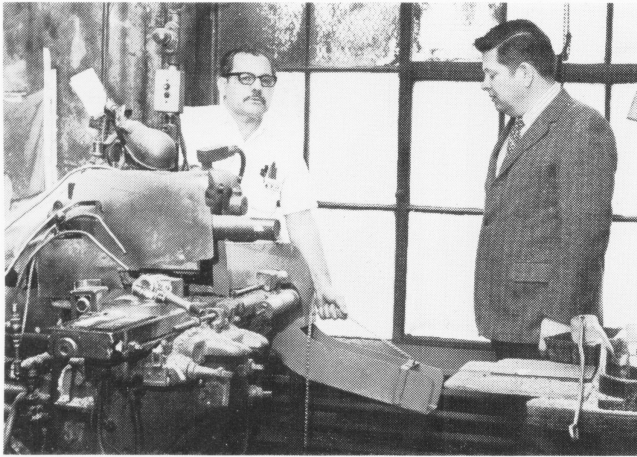

Tickets are available at the Employee Activities Office and are limited to children and grandchildren (from 2 to 7 years of age) of Scovill employees. This restriction is necessary because of space limitations and fire regulations.

Tickets are being issued on a first-come, first-served basis and employees' cooperation is asked in obtaining tickets only for children who qualify.

"If a 35-year-old worker becomes disabled in 1972", Mr. Bauer said, "he and his family could be eligible for disability payments if he had worked in jobs covered by social security for five out of the ten years before he became disabled."

If the worker died, Mr. Bauer said, his wife and children could start getting payments from social security if he had worked 1-1/2 years during the three years before he died in work covered by social security.

"A woman who works is building similar protection for herself and her family," he said.

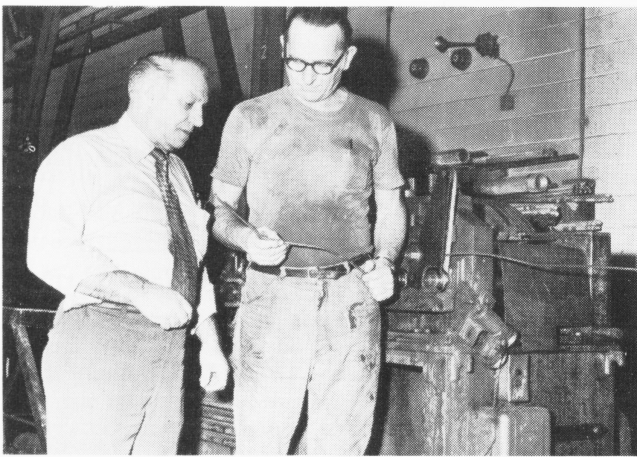

\$351 to John Malario, Kingsbury Dept.

Anthony Mazurkivich (right) Suggestion Systems Manager, listens with interest as John Malario describes his suggestion which prevents Milling Machine chips being blown on the floor, thereby saving cleanup time.

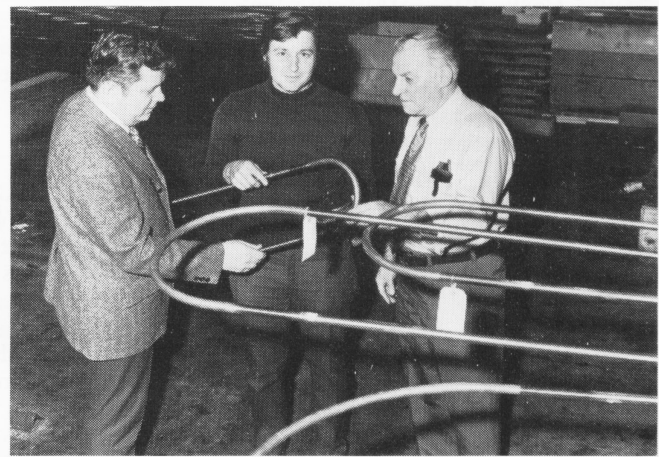

\$154 is shared by Dennis McFarlin and Ed Gramigna.

Teamwork by these two Lacquer Room men has resulted in their winning several awards. This latest award was for an idea which cuts down on amount of rejected work being done on the Spray Bake machine.

\$300 to Albert Jesulaitis, New Milford

Foreman Carl Glander (left) discusses one of two suggestions which won for Mr. Jesulaitis \$180 and \$120. They resulted in cleaner tubes and less restraightening as well as eliminating excessive tube handling.

\$240 to Adolph Burkhardt, New Milford

Foreman Glander and Mr. Mazurkivich check quality of tube at "U" bender. Mr. Burkhardt's two suggestions (\$120 award for each) prevent tube damage when making U Bends and eliminate making new tools.

Suggestion Awards

\$362.83 was awarded to Gertrude Degnan of Hot Forge. This second and final payment brings her total award for one suggestion to \$518.40.

\$228—Donald Vance, Industrial Couplings Research & Development

\$120—Mario Cannucciari, Pipe Shop

\$60—Olive Hewitt, New Milford Tube Mill Office

\$50—Joseph Doran, Auto Maintenance

\$50—Walter Serben, Rolling Mill

\$30—Charles Bozzuto, Rolling Mill

\$30—James Cody, Rolling Mill

\$25—John McHale, Rolling Mill

Soon sleigh bells will be ringing and snow will be slushing and all you shoppers will be rushing. The chairmen of our various committees are no exception to this holiday madness and are already busy with plans for the Girls' Club holiday activities.

Especially at this time of year, we like our retirees to know they are remembered and Evelyn Smoil, Membership Chairlady, is busy completing plans for this year's greetings to them.

Betty Betancourt and Irene Owens have taken on the task of planning for the Christmas baskets to be distributed to needy families. Last year, many members contributed an article of clothing or a toy for children up to twelve years of age, to be used in these baskets. If you would like to participate in this way again, we will be happy to receive all donations.

Girls' Club News

By Irene Owens

For the kiddies of Scovill employees, Margaret Murray and her committee, Ann Angelli, Jessie Ciavleglio and Elaine Daniele, are working on the annual children's Christmas party—which, this year, will return to the old familiar format. A flyer will be out soon with all details.

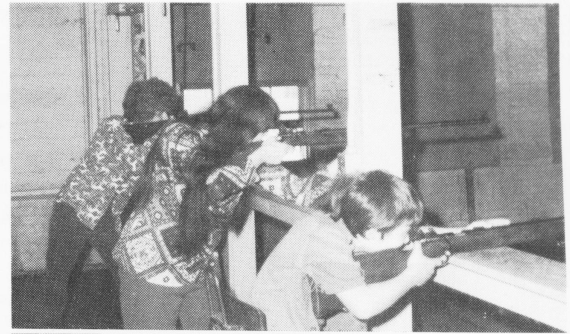

Best wishes to all our members for a Merry Christmas and a Happy New Year—with a special wish to those who are on the "shut-in" list at this time. Mary Byrnes, Sunshine Chairlady, tries to keep in touch with our ill members but does not always receive word when a member is ill. We are always interested in getting this information as we feel colorful get-well cards are one way to brighten the day of a convalescing member.

Here's hoping, tucked in with your gifts, Santa manages to leave you a few minutes to relax—all wrapped up pretty and tied with a bow.

Still Champion. James Gilroy (left) holds "Fisherman of the Year" award presented to him by Rod & Gun Club President Conrad Sansoucie—the fifth consecutive year he has won this title.

Joseph Alexinas holds 1972 Runner-up placque as Club Vice President George Bezuhly beams his approval.

1972 Fishing Contest

Longest fish winners:—

- Joseph Gigliotti, 14-1/4" trout
- Harold Rogers, 12-1/4" calico bass
- Francis Gaffney, 21" bass
- Warren Baker, 23-1/4" pickerel
- Jerry Cepelak and James Gilroy, 13" perch
- Ariste Beurdeley, 18-3/8" bullhead

Slimnastics

A great deal of interest is being shown in the Slimnastics Sessions for Women held at the SERA on Tuesdays from 5:00 to 6:00 p.m.

Mrs. M.G. Sholtis is instructor for the group.

All women are invited to join in

Basketball

This popular sport is being reactivated and games will be played on Sundays at East Farms School. Six teams have been entered:

- 1) Strip Mill #1—Coach Tony Bonacassio
- 2) Strip Mill #2—Coach George Leo
- 3) Rod Mill—Coach Mark Lavorgna
- 4) Packing B—Coach Harold Barnes
- 5) Aluminum Mill—Coach Grady Jones
- 6) Wire Mill—Coach Paul Sabol

any Tuesday evening—no need to sign up for any specific period.

Turkey Shoot Attracts 200

Age or sex presented no problem at the Rod & Gun Club's annual turkey shoot held at the Scovill Rifle Range. In groups of ten persons, 27 rounds were fired, with as many turkeys awarded for highest scores.

Greatest thrill of the day was seeing three young Explorer Boy Scouts taking eight of the 27 prizes—which they planned to donate to the Salvation Army for their Thanksgiving baskets for needy families.

Ray Dempsey, Metals Acct. Dept. and their advisor, was also proud to see that Scout Bob Smith scored 102 points in one round—the highest to be scored at the range. To date, the highest score had been 98!

The Explorer Scouts were: Tom Smith, winner of three turkeys, Roy Van Wagner, 3; and Bob Smith, 2 birds.

Other winners were:— Jim Pape, Al Rush, Joseph Riddick (2), Ed Roche, Bob Rudaitis, Francis Gaffney, (2), Orlando Rafael (2); Edward Zukauskas, Charles Carpentier, Tony Zaccagnino (2); Paul Daniels, James Miklinevich, Greg Demko, Mike and Helen Bochicchio.

For Sale

14" 1967 Mustang Ford wheels, \$3 ea. 758-2709.

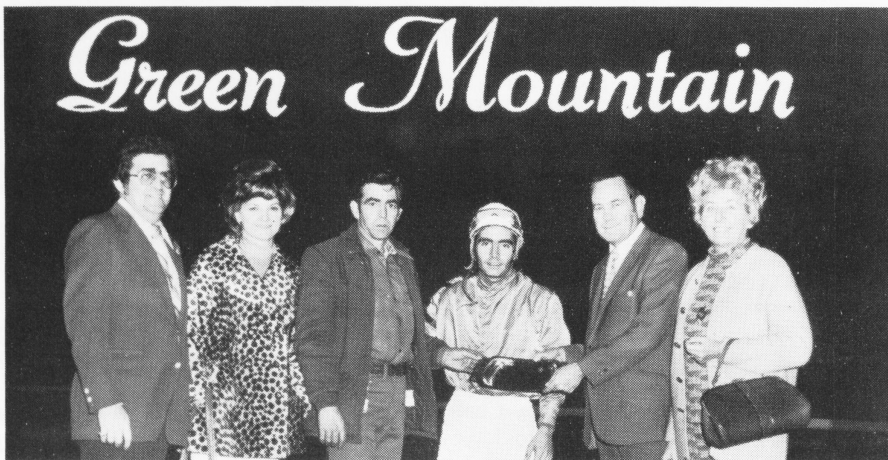

450 Honda Chopped drag style, new paint, 74 rear tire, spool wheel, molded rigid frame, other extras, must sell, \$500; 396 aluminum Hi-rise manifold, \$20; 2 hardwall slicks mounted on Chevy rims, \$15. 755-5579.

16' fiberglass Fleetcraft, with trailer, 35 hp Johnson, \$700. 754-9505.

1964 Pontiac Tempest parts—326 engine, black bucket seats, radio, etc. 729-0043 after 6 p.m.

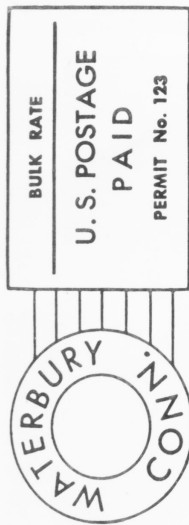

4 chrome mags for GM cars, \$80. 757-7819 after 4 p.m.
